Objective

To leverage my expertise in Python programming to develop efficient, scalable, and innovative software solutions. Contributing to the success of projects by applying my strong problem-solving and coding skills, while continuously learning and staying up-to-date with emerging technologies.

Education

- **B.V.Bhoomaraddi College of Engineering and Technology, Hubballi.** 2017
Bachelor of Engineering (Mechanical)
CGPA-8.13
- **Government Pre University College, Karwar** 2013
PUC
82.67%
- **Nirmala Hridaya High School, Ankola** 2011
SSLC
89.28%

Publications

- **Python Projects**
Kindly go through my python projects to get better idea about my expertise on the subject. Github link:
http://github.com/Ganesh-VG/Ganesh_Projects

Skills

- Python : Selenium, API, SQLAlchemy, Numpy, Plotly, Flask, Pandas, Tkinter.
- Web Development : HTML 5, CSS 3, GitHub, Bootstrap.
- Javascript : jQuery, Node.js, Express.js, React.js
- SQL : PostgreSQL, PgAdmin.
- Microsoft Excel : Macros ,VBA.
- Microsoft Office : MS Word, MS Powerpoint, MS Access.
- CAD : Creo-Parametric, DraftSight , AutoCAD
- Stock Market Analysis

Certifications

- 100 Days of Code: The Complete python pro bootcamp for 2023 from udemy.
- The complete 2023 web development bootcamp.
- The complete SQL bootcamp from udemy.
- Microsoft Excel- Excel from Beginner to Advance from udemy.
- Essential in product design (SOLIDWORKS, CATIA) from CADD Centre BTM layout.
- Python for Beginners from SkillUP.
- Foundation and Advanced stock trading course + strategies from udemy

Experience

- **Technical Associate/ Draughtsman**

01 April 2022 - 14 August 2023

TOCOL Machine Tools Pvt. Ltd.

- Reverse engineering of a steam turbine, turbine auxiliaries, monoblock centrifugal pump, gear pump, monoblock turbine driven boiler feed pump, screw pump.

- Technical skills:

- ▶ Engineering Design : drafting, GD&T.
- ▶ Creo-Parametric 7.0 : 3D modeling.
- ▶ Draftsight : 2D drawing.
- ▶ MS Office.
- ▶ Material testing.
- ▶ Quality control and inspection.

- Soft skills Acquired:

- ▶ Pressure handling.
- ▶ Time management.
- ▶ Multitasking.
- ▶ Team coordination.

- **Service Engineer**

1 Jan 2021 - 28 Feb 2022

Chandrika Marine Services Pvt. Ltd.

- Overhauling of steam turbine and its auxiliaries of turbo-generators and turbine-driven air conditioning of an aircraft carrier.

- Technical skills acquired:

- ▶ Control system maintenance.
- ▶ Rotor clearance checks and alignment.
- ▶ Journal and thrust bearing alignment.
- ▶ overhauling of auxiliaries.

- Soft skills Acquired:

- ▶ Client Handling.
- ▶ Team management.
- ▶ Risk assessment.
- ▶ Time management.

Languages

- English
- Kannada
- Hindi

Strengths

- Patience
- Quick learner
- Hard Working
- Responsible
